Chapter 1 by Sam I am

I can't believe you told it! You told my secret! I trusted you and you told. I even warned you of the danger of telling my secret. I warned you over and over again but yet, you chose to ignore me. I guess now I have to kill you. But after you tell me who you told. I have to kill them too. I warned you about that. But you didn't listen. Pay the price. Your time has come. You are next.

Chapter 2 by Hiyesitisjoe - DON'THUGMEI'MREALLYSCARED

I didn't want to have to do this, but you knew what I said. You knew how important this was to me, and yet I trusted you. Who did you tell this to? Wait, don't tell me, you told this to Jimmy didn't you? Not only have I told you secrets, in return you have told me yours to. Well then, it is only true that I come to you and ask you how you want to be killed. If you refuse to say anything, I'm afraid your choices won't be available.
